SUMMER PROGRAM AT TAYLOR

Summer fun at the Taylor School!

Susan Odell Taylor School for Children
SUMMER 2011

Weekly Themes

6/20 – 6/24 YOUNG ARTISTS – Experience the art of 20th century artists like Pollock, Kandinsky, Delaunay, and Mondrian and try out their techniques. Use line, color, shape, and texture to create art in the style of famous contemporary artists!

6/27 – 7/1 THEME-A-DAY – Each day is a different theme: Camp Out Jamboree; Pirate Day; the Mighty Jungle; Ancient Egypt; and Wonderland Day. There's never a dull moment as each day brings a new and different theme to explore!

7/5 – 7/8 STARS AND STRIPES – Hooray for the USA! Monday is the Fourth of July – we'll spend the rest of the week celebrating our country through art, music, projects, folk tales, food, and more!

7/11 – 7/15 SUPER SCIENCE – Enjoy a week of science fun! Think and act like a scientist while performing scientific experiments, explorations, and investigations.

7/18 – 7/22 FUN AND GAMES – Play is one of the joys of childhood. This week is about having fun playing all kinds of games – board games, outdoor games, guessing games, card games and more!

7/25 – 7/29 AUTHOR-A-DAY – Spend each day with a different author! The characters and stories from five favorite authors will come to life as we immerse ourselves in wonderful literature from Kevin Henkes, Maurice Sendak, Eric Carle, Tomie DePaola, and Chris Van Allsburg.

8/1 – 8/5 MIGHTY MATH – Enjoy math games, mathematical art projects, geometry, computer fun, graphing, measuring, brain teasers and more. We'll provide all levels of engaging activities designed to expand the mind while thinking mathematically.

8/8 – 8/12 CELEBRATE SUMMER! – Summer may be winding down but we won't let it end without celebrating the joys of summer - water play, nature fun, gardening, cool treats, arts and crafts, a picnic lunch and more!

Summer 2011

The Taylor teachers & staff

—so beloved by students during the year—also design and lead the summer programs. We intentionally keep the number of children participating each week small (two groups of 15). This allows us to continue “Nurturing Joyful Learners” throughout the summer months!

TYPICAL SCHEDULE

Morning

- Exploration Time – free choice activities including art, crafts, building blocks, puzzles, dramatic play, games, and more
- Theme Activities
- Snack
- Outdoor Free Play

Afternoon

- Lunch
- Read-Aloud
- Swimming
- Outdoor Free Play
