Nurturing Joyful Learners

September 2011

Greetings!

We are in the midst of an exciting year at the Taylor School.

This past spring, the New York State Association of Independent Schools bestowed upon us its seal of accreditation. This achievement is a testament to our excellence and our remarkable school community.

We invite you to join us in celebrating this milestone and take advantage of an incredible personal opportunity to invest in the future.

You can make a difference in the educational lives of our students, who are nurtured to become inquisitive, caring thinkers, ready to embrace challenges with confidence and joy. By participating in our Annual Fund, you own a significant part of the future. The “can-do” mindset that is fostered at the Taylor School stays with our students throughout their lives, and is returned to the community ten-fold.

The Annual Fund bridges the gap between tuition and the true cost of a Taylor School education. Each tax-deductible gift to the Annual Fund is important and every contribution is appreciated. Please demonstrate your commitment to the Taylor School and take advantage of this opportunity to invest in the future. The return will be significant.

With great appreciation,

Steve Ridler
